FEES AND CHARGES

The Governing Board recognizes its responsibility to ensure that books, materials, equipment, supplies, and other resources necessary for students' participation in the district's educational program are made available to them at no cost.

The Superintendent or designee shall emphasize that participation of students, parents/guardians, district employees, volunteers, or educational or civic organizations in such activities and events is voluntary. The district shall not offer or award to a student any course credit or privileges related to educational activities in exchange for voluntary donations or participation in fundraising activities by or on behalf of the student. It also shall not remove, or threaten to remove, from a student any course credit or privileges related to educational activities, or otherwise discriminate against the student, due to a lack of voluntary donations or participation in fundraising activities by or on behalf of the student.

(cf. 1321 - Solicitation of Funds from and by Students)

(cf. 3290 - Gifts, Grants and Bequests)

The Superintendent or designee may provide information or professional development opportunities to administrators, teachers, and other personnel regarding permissible fees.
