

Dear Parents,

Fall parent conferences are just around the corner. These are especially important as they are a chance to get to know one another better as well explore strengths and needs of your child to ensure success in 7th grade. It is also a great time to see what your student has completed thus far, and set goals for the rest of the school year. Conference Week begins Monday, September 21st and continues through Friday, September 25th.

To arrange a conference appointment compatible with your schedule please select your **first, second, and third** preferences in the spaces below or via email to llarin@natomas.k12.ca.us. Your preferences will be honored and filled upon the day that they are received and a conference confirmation will be returned to you. If for any reason you cannot make your appointment after it has been scheduled, please let me know so that if necessary I can fill your prior appointment time. If the conference week is incompatible with your schedule let me know so that we can make an alternative appointment or have a phone conference.

Conferences are a time to celebrate and share insights, suggestions and aspirations. It will be a pleasure to meet with ***you and your child***. If you would like any other teachers to sit in on your conference, please specify who. I will do my best to have them present during the conference as well. If this is something you wish to request, please do so earlier rather than later, as it will be more likely to happen if this is done prior to all of their conferences appointments being made.

Sincerely,

Luis Larin
