

CAASPP Q-4

On April 20th NP3 Middle School Pirates will embark on a mission to complete the CAASPP tests. Please add this date to your calendars as we encourage and support our students in being proactive for testing success. A good night's sleep, healthy breakfast, being on time for class, positivity and encouragement are all recommended for students prior to showing up to school on test day! If you would like to have your student practice, contact your student's counselor for information on the practice tests.

Celebrate Health, Wellness, and Positive Relationships

Counselors, community members and our PE team spent two weeks in Q-3 teaching a health and wellness unit to 7th and 8th graders. Students learned about dimensions of health and wellness, healthy vs. toxic relationships, foods and substances that may be healthy or unhealthy to put in one's body, safety, and much more! Let's celebrate student health and wellness!

WHAT'S HAPPENING AT NP³ SCHOOLS?

NP³ Elementary

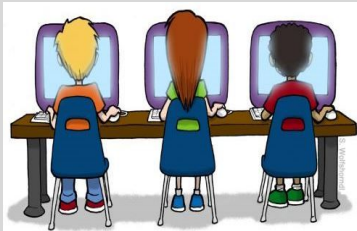

Deputy Nelson and friends from the Sacramento Sheriff's Office visited our school. Students were able to interact with the deputies during their lunch recess.

NP³ Middle

NP3 hosted incoming 6th graders for Shadow Day activities and current 8th graders participated in a Shadow Showcase with NP3 HS.

NP³ High

All 11th-grade students attended a college tour at UC Berkeley and San Francisco State University.

Healthy Kids Survey

NP3 7th grade students will be participating in the California Healthy Kids Survey! Survey data and more information about students will allow NP3 to improve on an already great educational experience. Question content may include school culture and climate, and social and emotional health. Please explore the link for more information on the Healthy Kids Survey.

Leadership Day at NP³

Please join our students on Friday, May 22nd as we host our annual Leadership Day! Leadership Day will take place during school hours from 11:30am - 12:30 pm. Parents and guardians are welcome to come out and see all of the great work our students have been doing throughout the 19-20 school year. Action Teams include Pirate Lighthouse, NP3 Today, Campus Love, Pirate Posse, Sunshine, Outdoor Club, Sports Action, Snack break leaders, and many more! Come celebrate our student leadership!! We can't wait to see you!

Enrichment Excitement

A huge shoutout to our teaching staff for the extra preparation and planning that goes into amazing Enrichment opportunities for all students. Swing on by the garden to see Ms. Phillips and her students planting for the future, or stop by Mr. Gyorfí's room where Forensics will be learning about crime scenes and the steps our justice system takes to gather details to solve crimes. Other great opportunities students have to participate in include multiple art classes, creative writing, screenplay and acting, sports and athletics, student government/ leadership, and many more! Ask your assigned counselor about options as Enrichment opportunities change by grade level.
