i-Ready Diagnostic Assessment: i-Ready is an online program for reading and/or mathematics that will help your student's teacher(s) determine your student's needs, personalize their learning, and monitor progress throughout the school year.

PLEASE review the attached documents and resources: <https://i-readycentral.com/familycenter/>

First-Fifth Grades will take the i-Ready Diagnostic Assessment over the next two weeks. Kindergarten students will take the assessment toward the mid-end of September.

Students must use an NP3 Elementary school-issued Chromebook for this assessment. If you need to check a Chromebook out, call 717-NP3-TECH.

Classroom Work/Materials Pick Up/Drop Off: Teachers will communicate with families when they would like classroom work or materials turned into the school. NP3 Elementary will set up windows of time for families to turn work in or to pick up work. Each classroom will have a black crate outside the front of the school that is dedicated to their classroom. Look for your child's name. Classroom teachers will communicate with you directly.

- take work out of file folder
- look for any important school forms that need to be completed
- leave old student work in the file folder
- turn any school forms into the front office with Ms. Aericka and Ms. Gloria

School Issued Chromebooks: Students are highly encouraged to use school-issued Chromebooks for Distance Learning. NP3 Elementary has set the Chromebook to a specific landing page (making it easier for families).
