## High Frequency Words

13. word
14. morning
15. against

## VOCABULARY

1. finally
2. thorny
3. eager
4. glaring
5. peeked

Dear Parents:

**Language Arts: Community Heroes.** The Big Idea for this week is that people who do special things in our community can be our heroes and have a lasting impact on our lives. Our story is "Tomas and the Library Lady."

Have conversations about who can be a hero. Can a librarian, a doctor, a teacher, or a chef be a hero? What qualities does a hero have?

**Math:** This week we begin our Topic (Unit) on Place Value. The Common Core Standard for 2<sup>nd</sup> graders is "I can understand that the 3 digits of a 3 digit number represent amounts of hundreds, tens, and ones, e.g. 706 equals 7 hundreds, 0 tens, and 6 ones." We are starting with two digit numbers! (tens and ones)

**BOX TOPS:** Save the box tops! Each box top means 10 cents for our class to spend for a field trip! There will be a 1<sup>st</sup> big collection day later this month. Please look for them on your household products.

## For your calendar:

**Tuesday, October 6th** – PTA meeting at 6 pm in library

**Friday, October 9** – Anti-Bullying Assembly!

**Saturday, October 10** – Pancakes and PJ's! 8-11 a.m. in the Multi-Purpose Room. \$5 per person/All you can eat breakfast!! Supports the 5<sup>th</sup> Grade Science Trip!

**On time arrival** makes a huge difference in how your child day goes. Emergencies happen in every family, but make it a practice to get to school with a little time to spare. If your child eats breakfast at school, it means a few more minutes in the morning schedule ☺

Thank you for your continued partnership!
