

Organelle Chart

Name _____ Period _____ Date _____

| Organelle | Function/Characteristics | Plant/Animal Both |
|----------------------------|--------------------------|----------------------|
| Cytoplasm (Chapter 3.1) | | |
| Cytoskeleton | | |
| Nucleus | | |
| Nuclear Envelope* | | |
| Nucleolus | | |
| Ribosome | | |
| Endoplasmic Reticulum | | |
| Rough ER | | |
| Smooth ER | | |

* Organelles not covered in the project or lecture

| Organelle | Function/Characteristics | Plant/Animal Both |
|--------------------------------|--------------------------|----------------------|
| Golgi Apparatus | | |
| Vesicles | | |
| Mitochondria | | |
| Vacuole | | |
| Lysosomes | | |
| Centrosome* / Centriole* | | |
| Cell Wall | | |
| Chloroplast | | |
| Cell Membrane (Chapter 3.3) | | |

* Organelles not covered in the project or lecture
