**California Schools Selected for Prestigious Honor Roll issued by
The Campaign for Business & Education Excellence***

June 4, 2015 (Sacramento) – Natomas Pacific Pathways Prep Middle has been selected by Campaign for Business and Education Excellence (CBEE) as one of 1851 public schools in California to receive the title of 2014 Honor Roll school.

Schools receiving this distinction from the California business community have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time and reduction in achievement gaps among student populations. For High Schools, the Honor Roll recognition also includes measures of college readiness. The CBEE Honor Roll is comprised of two different awards, the “Star Schools” Award (1328 schools) and “Scholar Schools” Award (523 schools).

CBEE Star Schools are those with significant populations of socio-economically disadvantaged students that have shown a significant increase in grade-level proficiency over time. CBEE Scholar Schools are schools that are showing significant levels of academic achievement, but do not have a significant socio-economically disadvantaged student population.

“We are so proud to be recognized by California’s business community as an Honor Roll school,” said David Hunt, Principal. “Our teachers and administrators work tirelessly to keep the focus on high expectations and student academic achievement and to continuously improve our practices. This hard work and dedication is paying off for all of our students, no matter their background.”

“Many of our high performing schools are not getting the recognition they deserve. These schools that succeed in reducing the achievement gap and preparing their students for college and careers should be celebrated,” said Lee Blicht, CBEE Chairman and past CEO, San Francisco Chamber of Commerce. “There are schools all over California that are leaders in ensuring their students are getting the best quality of education. Those schools need to be recognized.”

The Honor Roll is a school recognition program that uses only academic achievement data showing improved academic growth over time and a closing of the achievement gap.
